Mortgage Rates Continue Falling Over Global Economic Concerns

Turmoil in global markets has been good for mortgage rates. China's slowdown and cratering oil prices have created volatility in the markets and spurred investors to flee to safety in government bonds.

Commercial

\$30B Boost Eyed for Commercial Sector

Right before it broke for the holidays last month, Congress passed a big tax bill that includes a number of commercial provisions, including one that analysts say could spur some \$30 billion in annual foreign investment in U.S. commercial real estate starting this year.
