Are Seller's Still Calling the Shots in the Housing Market?

Despite strong sales and shrinking inventory, the recent Redfin Housing Market Tracker from Nela Richardson, Chief Economist for Redfin, states that home prices rose at the slowest pace of the year, up just 4.4 percent from last year.

Should You Buy Property for Your College Student to Use While in College?

You're already helping pay for your kid's expensive college education, so the idea of also buying a house on top of that might sound crazy.

By: Brena Swanson, HousingWire, September 14, 2016
